Progress Report for August 1948

Dissemination of FBIB material--a matter long in a suspended and highly unsatisfactory state--has been clarified through joint discussions by OCD and FBIS.

The solution is desirable from FBIB point-of-view. Requests from non-government agencies will be referred to OCD - Liaison Branch for decision as to release.

The accomplishment of any changes, additions, deletions to the mailing list for government agencies has been delegated to OO/FBIB by OCD. Therefore, FBIB will continue to service the great bulk and most essential of our subscribers with the usual speed and dispatch.
